**World Environment Day - 2023 on 5<sup>th</sup>. June 2023**

Rathindra Krishi Vigyan Kendra, Palli Siksha Bhavana (Institute of Agriculture), Visva-Bharati celebrated the World Environment Day – 2023 on 5<sup>th</sup> June. On this day the students of the DAESI course and the staff members of the Rathindra KVK were made aware about the importance of ecologically sustainable and economically feasible practices for agriculture and related sector and also the importance of plantation of trees with special reference to ongoing climate change phenomenon through Awareness Generation Programme. In this occasion a number of saplings of fruit trees were planted at the Office campus of Rathindra KVK. In this programme 47 numbers of participants were present.

The programme ended with planting of fruit trees and watering of already established tree saplings.

**Awareness Generation Programme on World Environment Day on 05.06.2023**

Plantation of Saplings of Fruit trees at the Rathindra KVK premises on the occasion of World Environment Day on 05.06.2023 in the presence of Staff members and Students of Rathindra KVK.

Staff Members and students of Rathindra KVK planting the Saplings on 05.06.2023
